EXPERIENCE

Junior Frontend Developer — Tech4Dev

March 2024 - May 2024

- Collaborated with product designers to develop and implement a website called Healthy Diet for All using HTML, CSS, and React.JS.
- Worked closely with the backend developer to implement frontend and backend functionalities to aid real-time data processing and analysis.
- Initiated weekly code reviews, reducing bug rates by 20% and fostering a culture of collaboration and continuous improvement.
