PROFILE

SEO Content Manager with 4+ years of experience planning, writing, optimizing, andpublishing search-focused content across cryptocurrency, gift cards, fintech, blockchain,and technology. Owns the full content process, from keyword research and search intentanalysis to long-form writing, on-page SEO, quality checks, and WordPress publishing. Has built a repeatable SEO workflow that has taken published articles to Google's first page.

WORK EXPERIENCE

SEO Content Manager, *Koyn* 07/2024 – Present

- Own end-to-end production for Koyn's blog: keyword research, topic development, outlining, writing, on-page optimization, and WordPress publishing.
- Research search intent, competitors, and content gaps to choose topics and article angles that match what readers are searching for.
- Write in-depth articles on gift cards, cryptocurrency, blockchain, and fintech, turning complex industry information into clear, accurate content.
- Optimize keyword placement, heading structure, internal links, meta titles and descriptions, and readability on every article.
- Built a repeatable SEO workflow with checklists that review each article for search intent, content quality, and SEO requirements before publishing. Articles produced through it have reached Google's first page

SEO Expert, *CPlus Media* 06/2023 – 06/2024

- Improved website traffic by implementing targeted content optimization techniques across clients' sites.
- Conducted research to stay current with SEO developments and refined content strategies accordingly.
- Boosted organic traffic by 30% within four months through strategic keyword research and optimized on-page elements.

SEO Content Writer, *FinidiWrites* 02/2023 – 06/2023

- Content written for clients resulted in a 20% increase in dwell time and a 35% increase in page views.
- Developed data-driven content strategies for clients to reach target audiences and adhere to industry trends.
- Collaborated with editors, designers, and marketing teams to ensure content quality, brand consistency, and SEO best practices.

SEO Content Writer, *ADR Writes* 09/2022 – 02/2023

- Increased organic traffic for clients' websites by 20% in three months through creating SEO-optimized content.
- Assisted senior writers with keyword research and competitive analysis to identify high-traffic, low-competition keywords for content.
- Improved clients' website rankings on Google Search Engine through on-page optimization and technical SEO.
